To whom it may concern:

It is a genuine pleasure and honor for me to recommend Mike Bailey for employment with your company. Mike has worked with me in the Information Technology Department at Weight Loss Surgical Center as a consultant for 2 years. He began here as the Information Technology consultant and continues to serve with increasing skill in that capacity.

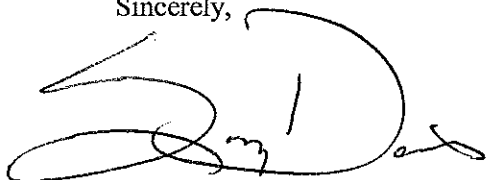

During Mike's service with us, I interacted frequently with him and depended on him. He is very goal oriented as well as a team player. Mike was always punctual, yet easygoing. He was keenly devoted to his work, but being a real people person, he was also enjoyable to be around.

Mike demonstrated from early in his tenure that he understood what business is all about. He is well organized and thrives under adversity. Almost without exception, he puts the customer first, feeling as I do, that the key to good business is satisfied customers. I suppose doing well in business is easy if you are, as he is, driven in equal measure by both quality and efficiency.

Mike is available for new challenges only because of his desire to learn and grow further. I have been very appreciative of the work that he has done for our company.

In closing, let me say that I have no hesitation in recommending Mike Bailey for any position pertaining to information technology. I feel confident that he will be an asset to your organization.

Sincerely,
